TOPIC: Strategies for Securing Placements with Higher Package

Details of the Alumni: Mr. Ashish Mishra (2020 Batch), Manager (Agri service)- Backward integration (organic value chain) & crop development, [Agri value chain development, ARISE Integrated Industrial platform, (Togo & Benin) (West Africa cluster -3)

OBJECTIVE: To provide practical insights into securing employment with enhanced remuneration packages for current students

DESCRIPTION:

The alumni talk held on October 7th, 2023, from 4 PM to 6 PM at the Auditorium witnessed a robust turnout of 250 participants. Dr. S.P. Nanda, Dean Administration, MSSSoA, commenced the session by extending a warm welcome to Mr. Ashish Mishra. Subsequently, Mr. Chandrasekhar Sahu, Career Coordinator, MSSSoA, introduced Mr. Ashish to the audience, highlighting his professional journey and expertise.

Mr. Ashish shared valuable insights derived from his own career progression, delineating actionable steps to secure placements with higher packages. His discourse encompassed aspects such as skill development, networking, and

leveraging academic qualifications effectively. Through practical examples and anecdotes, he elucidated the significance of industry readiness and adaptability in today's competitive job market.

Following his presentation, an interactive session ensued, allowing students to engage directly with Mr. Ashish, seeking clarification and guidance on specific career-related queries. The exchange facilitated a deeper understanding of the nuances of job search strategies and career development.

OUTCOME:

Enhanced awareness among students regarding the practical strategies and competencies required to secure placements with higher packages.

Strengthened engagement between alumni and current students, fostering a culture of mentorship and knowledge sharing.

Empowerment of students with actionable insights, enabling them to navigate the complexities of the employment landscape with confidence and competence.
