**TRAINER:** All faculties of Agricultural Engineering Department

#### OBJECTIVE:

- ✓ To make students familiar with expected technical questions for Placement
- ✓ To improve students' confidence level for appearing placement drive.
- ✓ To provide technical guidance for interview preparation

**DESCRIPTION:** A special technical training session has been organized from 10<sup>th</sup> May to 25<sup>th</sup> May, 2023 for the students to assist them as they get ready for the placement drive, even though all technical vital areas were given more importance throughout the regular academic session from the first year to the final year. Every faculty of Agricultural engineering department had a weekly hour-long class to discuss significant subject-specific topics. During the session, students were encouraged to asked their doubts on the subjects.

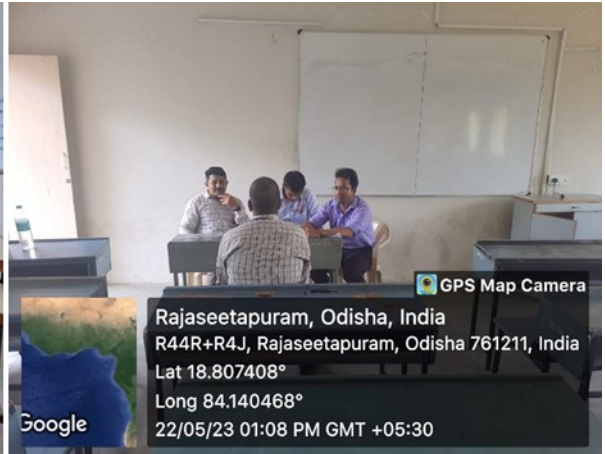

## OUTCOME:

- ✓ Revision of important subject specific topics
- ✓ Discussion of possible technical question for personal interview
- ✓ Doubt clearing

## GLIMPSES OF THE TRAINING SESSION

**Fig:** Technical subjects' discussion for placement interview

**Fig:** One to one mock interview for upcoming placement
