**A REPORT ON SOFT SKILLS/
CAREER COUNSELLING/
CAMPUS BASED TRAINING**

CUTM – 2022-23

CAMPUS – PARALAKHEMUNDI

REPORT GENERATED BY: Dr DHAWALESWAR RAO (CAREER COORDINATOR)

REPORT ON “CAREER COUNSELLING at SOET”

Date: 16th Aug, 2022

Department – SOET (Compute Science and Engineering)

Attendance - 47

Venue: CRC II, Room No-215

TOPIC: CAREER COUNSELLING

CAREER COORDINATOR: Dr. DHAWALESWAR RAO

OBJECTIVE: The capacity to use the right learning procedures to acquire and apply new information as needed. The scope of counselling is to increase both self-awareness and self-management.

DESCRIPTION: One service that helps students start, adjust, or develop in their jobs is career counseling. A job seeker and a counselor may have one-on-one sessions in addition to tests, exercises, and projects aimed at maximizing the career seeker's skills. They can better grasp their professional alternatives and how to pursue them with the aid of career counseling. Through career counseling, individuals may identify their own professional fit as well as their strengths and limitations in relation to their current course of study or occupation.

OUTCOME: Through the counseling process, individuals developed self-awareness, confidence, and resilience, which can positively impact all aspects of their lives.
