Resource Person Details:

Mr. Lokesh Madineni earned his B.Tech degree from Vignan's University in 2017 and his M.Tech in 2019, both from the same institution. Currently, he is in pursuit of a Ph.D. at Vignan's University, under the esteemed guidance of Dr. Mahesh Hadole from IIT Kharagpur. He is serving as an Assistant Professor at Vignan's University from last four years. Notably, during his tenure, Mr. Madineni played a pivotal role in guiding and assisting more than 100 students from Vignan and other Universities to secure prestigious fellowships for studying abroad, a testament to his commitment to nurturing the academic aspirations of his students.

Detail Report of the Expert Talk:

On 7th October 2023, the Department of Agricultural Engineering, SoABE, CUTM, Paralakhemundi had the privilege of hosting Mr. Lokesh Madineni, an expert in the field of higher education opportunities in foreign countries. Mr. Madineni delivered an

enlightening and informative talk to our B.Tech. Ag. students, providing them with valuable insights into pursuing higher education abroad. Dr. Subhankar Debanath, T&P coordinator welcomed the speaker and introduced him to the audience. He urged the speaker to give a lecture on the topic. Mr. Lokesh Madineni's presentation covered a wide range of topics related to higher education opportunities in foreign countries. Some of the key points discussed during the talk included:

- Mr. Madineni highlighted the numerous advantages of pursuing higher education abroad, including exposure to diverse cultures, access to world-class faculty and facilities, and enhanced career prospects.
- He provided guidance on how to choose the best destination for higher education based on factors such as the student's academic interests, budget, and career goals.
- Mr. Madineni outlined the application process for foreign universities, including standardized tests, application deadlines, and the importance of a well-crafted personal statement.
- He discussed various scholarship options available to international students and offered tips on how to secure financial aid.
- Visa Procedures: Mr. Madineni explained the visa application process and emphasized the importance of meeting all the requirements to obtain a student visa.
- Mr. Madineni discussed how international education can enhance career prospects and open doors to global job opportunities.

Following the presentation, there was an engaging Q&A session where students had the opportunity to ask questions and seek clarifications on various aspects of studying abroad. Mr. Madineni patiently addressed each question, providing valuable insights and advice. The expert talk by Mr. Lokesh Madineni was a resounding success and greatly benefited our students. It not only expanded their horizons regarding higher education opportunities abroad but also inspired them to consider this path seriously. The talk was informative, interactive, and left a lasting impact on our students.

Dr. Santosh D T, HoD, Department of Agril, Engg. extended heartfelt gratitude to Mr. Lokesh Madineni for sharing his expertise with our students and enlightening them about the possibilities that lie ahead in pursuing higher education in foreign countries.

Dear Sir

I am writing on behalf of the Agricultural Engineering Department, School of Agricultural and Bio-Engineering, Centurion University of Technology and Management, Odisha and I am delighted to extend an invitation to you to be a guest speaker to our students. We are eager to benefit from your expertise and insights on the topic of "Higher Education Opportunities after Completing Graduation in Foreign Countries."

The event is scheduled to take place on 07-10-2023 at 10.30, and it will be conducted online via Google Meet. We kindly request you to share your insights, experiences, and advice on various aspects such as choosing the right foreign universities, application processes, scholarship opportunities, and the benefits of pursuing higher education abroad. Your talk will be followed by a Q&A session where our students can engage directly with you to seek further guidance.

Thank you for considering our invitation, and your contribution to our students' education would be truly meaningful.

Sincerely,
Dr. Santosh D T
