

Extracts from the Board of Governors meeting of Centurion University of Technology and Management, Odisha held on 20th November 2018 at 11.00am

Agenda point No.13.3: Approval of Day care centre: New Creche Facility

i) Starting of Creche facility at University campuses

Vice Chancellor informed the Board members about few initiatives taken of the university such as Creche facility at University campuses, Pathways/Pedestrains being made in the campuses. Even E-vehicles/ battery operated vehicles for usage inside the campuses, restricted use of vehicles inside campuses. The circular related to ban of plastics inside campuses (zero plastic campus) was sent out.

The Board members appreciated these initiatives.
