Dear all,

All set to go tomorrow to kick off Enovia Customisation training which includes pre-requisite training as well from tomorrow

First week (17-Dec to 22-Dec) at BBSR

Second week (23-Dec onwards) at Vizag Campus.

Total 32 students and 3 faculties will participate.

Last evening again I spoke with Rakesh Roy who will be taking classes on Core Java & Adv Java is ready from tomorrow (17-Dec).

I also spoke with Annan Naidu who allocated Lab#13 for one week of training at BBSR.

Vishal is ready for 2 days session on Enovia Business front end training.

Spoke with External trainer. She is ready and preparing doc for taking session. Logistics is discussed with Raju jee and will be arranged

Yesterday we visited lab at Vizag with team and lab is available for session. Thanks. Requesting Kalyan/Avinash/venkatesh to check running of all 18 machines with 3D experience software.

Kindly encourage students to bring their laptop pre-loaded with software of 3D exp.

I have requested Prashant Mohanty Sir to inaugurate and kick-off this training program and has okayed. Thanks Sir.

I have requested Gayatree to be at Vizag campus for a day on 24-Dec-2018

Best Wishes and happy learning

Regards
Rabindra Sah

Dear all,

In continuation with below mail and feedback from team, Please note following points:

- 1) Training Period: 17-Dec-2018 to 19-Jan-2019 (30 days, so name of program code is changed to 'ECT30')

- 2) First week (17-Dec to 22-Dec) of training on Pre-requisite (Java , Adv Java, Enovia Users modules) to be held at BBSR by Rakesh Roy (C.Sc- BBSR and Vishal Singh-PKD)
- 3) Test will be conducted at the end of each modules/Levels.
- 4) No leave is allowed during above period
- 5) Following faculties will be also attending training and they will TOT of ENOVIA customization for any ENOVIA training in future and will be owner of brand:
 - a. Santosh
 - b. Avinash
 - c. Kalyan
- 6) Every participant is **highly recommended to bring their own laptops** pre-loaded with 3D experience software. Students to take help of Santosh, incase they need any help in software installation.
- 7) There are 35 participants (32 Students and 3 faculties)
- 8) Faculties and students are advised to make their travel plan as per schedule & venue

Dear Pallavi Madam

Thanks for discussion last evening and your full support extended for succession completion of training at Vizag campus for stay , food ,transportation on day-0 and lab. Thanks to **Kalyan & Vamshi** .

Dear Mohanty Sir,

Requesting for your help for one week of lab from 17-Dec to 22-Dec at BBSR for training on Pre-requisite (Java , Adv Java, Enovia Users modules). Requesting to help in kind release of Rakesh Roy to conduct Java/Adv Java training for 4 days (17-Dec to 20-Dec) as local faculty. I have spoken with Rakesh last evening and okay to take sessions.

Dear Santosh: Kindly share name, Male/female, email ID and mobile no of ENOVIA GTM with Prajna in excel file.

Dear Kalyan/Avinash: Kindly keep lab ready with 3D exp software loaded

Dear Gayatree, Ipsita & Prajna,

Kindly share list of all participants in excel file having mandatory fields – Name, male/Female.Mobile No & Email.

Also kindly inform all students thru email and phone about start date of training, venue , training agenda and schedule with copy of email to me and other 3 faculties. Also advise them to plan their travel as per venue and schedule.

Also requesting to kindly visit venue of training at BBSR to check readiness of hardware

Important contact nos are as follows:

- 1) Pallavi Madam: 9985891318
- 2) Kalyan: 9160030011/9963022226

Subject: Re: "D40" : Enovia Customisation Training Plan - URGENT

Sir

We have winter break from 17.12.2018 to 23.12.2018, in these days all systems will be available for training. But after college re-opens, Labs will be disturbed for mechanical and computer science students if we conduct the training in the lab. Request you to see alternate arrangement for training

This is for your information

Thanks for the mail sir.

Systems will be ready with java and core java .

For 3D experience, 30 systems are ready as we are using it already for CATIA.

Will complete the license and other setup if any before the training starts.

Thank you Gayatree madam. Kindly check below proposed plan and let us know for any improvement.

Dear all,

This is regarding focused ENOVIA customization training to our pass out students of 2018. **This program is named as "D40"**

This is to be treated as MOST urgent and TOP MOST priority.

We all together need to put effort to make it great successful and will open future large opportunity for faculties , students and our college.

Please find below key highlights of proposed plan:

- 1) Targeted no of participants = 30 nos. (25 nos students + 5 faculties for TOT)
- 2) Venue: CUTM – Vizag
- 3) Proposed Training dates: 17-Dec-2018 to 31-Jan-2019
- 4) Training Timing: Daily 9:00 AM to 5:00 PM
- 5) Trainers:
 - a. Pre Requisite : Core Java by Santosh
 - b. Pre Requisite : Advance Java by Shashi Bhushan
 - c. Pre Requisite : Enovia Front end concepts by Vishal Singh
 - d. Enovia Customisation by Paid External Expert (Finalized & blocked)
- 6) Training agenda & schedule – Attached (two doc)

There is **one challenge** which we need to fix. This is about required license of customization of ENOVIA and its running. We are working on to fix it.

Requesting everyone to raise alert immediately if any challenges/issues faced.

Dear Kalyan/Avinash,

Kindly block lab for above training from 17-Dec-2018 to 31-Jan-2019. All machines to be ready with 3D Experience software & Java/Adv Java by 15-Dec-2018. I think all machines are pre-loaded with 3D experience software where we had these 3D experience software training in Sep-2018

Kindly also make server ready which we have commercial license received few days back. Pl do the needful to enroll license which we received.

Dear Santosh,

Kindly help Kalyan to get software installed or any help needed. Also please configure license from Vijayawada server to get TXO license of Enovia compiler. It is to be completed this week.

Dear Vamshi,

Kindly arrange for stay & food for students and faculties at campus and their transport when they arrive vizag.

Dear Gayatree, Ipshita& Prajna,

Requesting to kindly co-ordinate with Vamshi & students for stay, food & logistics support needed.

Regards
Rabindra Sah

Dear all

Please find below details of said training program and if any doubts , do let me know:

Consider everything as confidential.

Hi Gayatree,

Basis on the discussion we had, I need 20 engineers (all/any fields) in January 2019 who are trained on ENOVIA 3DEXPERIENCE. <https://www.3ds.com/products-services/enovia/products/3dexperience/>

You need to train 2018 graduated students who can be full time employed by PROLIM.

An ideal candidate meets the following requirements:

1. Should have undergone 80 Hours of hectic training on ENOVIA 3DEXPERIENCE platform.
2. Should have done some exercises to gain control on software tools of ENOVIA.
3. Should know: Workflow creation & ENOVIA Administration ; Project Management & Program Management; CAD & Document Management; Creation and Management of Bill of Material; Change Management.

Please let me know when can we start the interviews of trained candidates. Our projected requirement for employees joining us is as follows:

Feb. 2019 ... 20 No.

April 2019... 20 No.

May 2019... 10 No.

July2019... 20 No.

Sep.2019 ... 20 No.

Nov. 2019 ... 20 No.

Thanks Gayatree and Appreciated.

Please get email captured on expectation from MD , Prolim and profile of students which they will hire. It will help in doing home work and planning.

ENOVIA is vast so if we can capture what are topics to be ready by students. PI try to work on this by tomorrow.

Let us meet all on 14-Dec (Friday) at 11 AM at Ipshita madam office to make way forward action.

Meanwhile Ipshita & Prajna madam to keep list ready for 2018 & 2019 who will be part of this and share with us.

Regards
Rabindra Sah

Subject: 3D EXPERIENCE ENOVIA TRAINING PROGRAM APPROVAL

Dear Sir

I discussed with MD , Prolim Mr. Aditya regarding career opportunities for our Btech students, and got to know about 100 vacancies to be filled by end of 2019.

Requirement : 2018 and 2019 passout Btech students to be trained in 3 D experience ENOVIA platform by January and May 2019 respectively.

Package- 4-8 lpa

Action plan : Resumes of all those identified students to be sent via mail to the organisation.

I seek support of Mr. Rabindra Shah to train selected students and Ms. Ipsita/Prajna to provide me the identified students.

So, I request you to please give an approval for the same.

THANKS & REGARDS
