1) 1st April @ Happy Utkala Dibas: ଉତ୍କଳ ଦିବି ସା – Odisha Day: ଓଡ଼ିଶା ଦିବି ସା
Wishing You all a Happy Utkala Dibas – Odisha Day @ 1st April!

Odisha Day (Utkala Dibas) is celebrated on 1st April in Odisha in the memory of the formation of the state as a separate province (Swatantra Pradesh) on 1 April, 1936. After losing its complete political identity in 1568 following the defeat and demise of the last Hindu king Mukunda Dev, Odisha lost its complete political identity in 1568.

To regain our pride Odia people revolt in the leadership of Utkala Gouraba Madhusudan Das, Utkala Mani Gopabandhu Das, Maharaja Krushna Chandra Gajapati, Pandita Nilakantha Das, Fakir Mohan Senapati, Gangadhar Meher, Basudeba Sudhaladeba, Radhanath Ray, Bhubanananda Das, A. P. Patro and many others. They founded Utkal Sammilani and fought for three decades and their effort resulted in the formation of a politically separate state under British rule on linguistic basis on 1st April 1936.

The newly formed Odisha consisted of six districts as Cuttack, Puri, Baleswar, Sambalpur, Koraput and Ganjam having its capital in Cuttack. John Austin Hubback took oath of office and became the first Governor of Orissa Province.

This Year we were not able to observe the Day on campus due to the lockdown. Let us think about the sacrifices made by our ancestors being at home.

Feel proud to be an Odia

This was the first time that we experimented with the new digital way of engaging students in different meaningful activities during the global pandemic lockdown. University has been shut down due to the lockdown, and students were left with lots of free time on their hands besides the online classes, online exams etc. So we thought not to let the time pass by and engage our students in numerous ways utilizing their time productively and gaining something out of it.

The idea was to engage students to inculcate and capture our values focusing on sustainability and contributing towards society. This competition was open for all students of Centurion University irrespective of campus/school/program. You are requested to have a look at the recorded video and share your comments.

Thank You so much all participants and a big congratulations to all the winners. Please find the list of winners of each track below. Each of them were awarded with an e-merit certificate and an Amazon e-gift voucher of worth INR 1,000. All the participants were awarded with e-participation certificates. This year, we had celebrated the 151st birth anniversary of Mahatma Gandhi. Mahatma Gandhi's birth anniversary is celebrated every year as Gandhi Jayanti to commemorate his ideals of peace and non-violence as well as his immense contribution to India's freedom struggle.

In 2007, the United Nations General Assembly voted to establish 2nd October as the International Day of Non-Violence. Let us all follow the path of truth and wisdom and pay homage to our Father of the Nation on this day.

The Father of the Nation with the tools of truth and non-violence, freed our nation from imperialism. Follow his path of truth and wisdom, pay homage to this great leader on Gandhi Jayanti 2020. He taught us to be the change we wish to see in the world. He taught us that where there is love there is life. He followed the path of peace and non- violence to make us unite.

Another Great Son of our country, Lal Bahadur Shastri was the 2nd Prime Minister of India and a senior leader of the Indian National Congress political party. He joined the Indian independence movement in the year 1920. Deeply impressed and influenced by Mahatma Gandhi, he became a loyal follower of Gandhi. His birthday is also celebrated all over the country on 2nd October.

Let us observe the "International Day of Non-Violence" by making others Happy by our selfless contributions!

Jay Hind!

8) Tribute for the Firefighters & Public, Good Wishes for the Injured & Sufferers and Prayer for the Mother Nature @ Devastating Bush-fires: Australia

We were aware of the sad incident that Australia was facing one of its most devastating bushfire crises which had already left many people dead and injured. The horrors of the bushfire had gripped the whole country. The smoke generating from the bushfire affected air quality or visibility.

An estimated 10 million hectares (100,000 sq km or 15.6 million acres) of bush, forest, and parks across Australia had burned. The bushfire tragic calls for action against climate change too.

Our University has been in partnership/relation with the Government of Australia and many Australian Universities, Institutions, and Agencies for a long time in various sectors. It is our moral responsibility to stand with our Friend (Australia & Australians) during their devastating crisis.

We have paid Tributes to the Firefighters & Public who lost their lives, wished for the Injured & Sufferers for their quick recovery and Prayed for the Mother Nature to fight against Climate Change. For the same, we all met at 12.15 PM on 14th January 20 at the Volleyball ground.

Thank You for your participation in the program @ Tribute for the Firefighters & Public, Good Wishes for the Injured & Sufferers and Prayer for the Mother Nature @ Devastating Bush-fires: Australia. We should continue to spread the positive thinking for all Australians.
