Dear All,

Please find attached step by step document to access training material on-line for CATIA, DELMIA, SIMULIA & ENOVIA. It really good training content available.

Kindly share this mail with all our AP-trainer team , interns & faculties with CC to me. Kindly encourage to learn and use during Puja vacation and measure learning.

Hope this will help our team. Requesting to go thru end of this body of mail.

There are following two types of training material available:

- ü **PEER LEARNING EXPERIENCE** - For 3DEXPERIENCE courses
- ü **COMPANION LEARNING SPACE** - For Courses for legacy solutions (CATIA V5, ABAQUS etc)

I have also **created index for all training material available on Peer learning – Companion on CATIA, DELMIA, and SIMULIA & ENOVIA.** Please find attached same.

Learning path for DELMIA brand should be as follows as discussed:

Stages on Learning DELMIA				
DELMIA - Process Planning				
Stages	SN	Courses	No of Courses	Hours
Stage-I	1	DELMIA Process Planning Essentials	1	8
	3	DELMIA Time Motion Study Essentials	1	8
	4	DELMIA Assembly Path Optimization Essentials	1	8
	7	DELMIA Assembly Evaluation Essentials	1	8
Stage-II	DELMIA - Plant Layout & Kinematic/Device Building			
	2	DELMIA Plant Layout Design Essentials	1	8
	6	DELMIA Manufacturing Equipment Allocation Essen	1	8
Stage-IIIA	DELMIA - ERGONOMY/Human Simulation			
	1	DELMIA Ergonomics at Work Essentials	1	8
Stage-IIIB	2	DELMIA Ergonomics Evaluation Essentials	1	10
	DELMIA - Robotics			
	10	DELMIA Robot Simulation Essentials	1	12
	5	DELMIA Robot Programming Essentials	1	8
Stage-IV	4	DELMIA Robot Arc Simulation Essentials	1	8
	5	DELMIA Robot Spot Simulation Essentials	1	8
DELMIA - eLearning				
	8	DELMIA Work Instructions Essentials	1	8

Please advice team to also following learning path online - CATIA - Piping & Tubing, Electrical Wire harness and Dymola

CATIA - Piping & Tubing				
Stages	SN	Courses	No of Courses	Hours
Stage-I	10	CATIA Piping and Tubing Setup Essentials	1	24
	11	CATIA Piping and Tubing Systems Design Essentials	1	8
CATIA -Electrical wire harness				
Stages	SN	Courses	No of Courses	Hours
Stage-I	8	CATIA Electrical Systems Design Essentials	1	4
	9	CATIA Electrical 3D Design Essentials	1	24
CATIA - System Engineering - Dymola				
Stages	SN	Courses	No of Courses	Hours
Stage-I	1	CATIA Dymola Behavior Modeling Essentials	1	18
	2	CATIA Functional and Logical Design Fundamentals	1	16
	3	CATIA Systems Architecture Design Fundamentals	1	2
	4	CATIA Mechanical Systems Design Essentials	1	4
	5	CATIA Embedded Electronics Architecture Essentials	1	12
	6	CATIA Mechanical Systems Experience	1	8
	7	CATIA Systems Report Generation Fundamentals	1	8
CATIA - DESIGN : CORE				
	SN	Courses	No of Courses	Hours
Stage-I	1	CATIA Mechanical Design Fundamentals	1	32

Please revert if you face any issues.

Regards
Rabindra Sah
