

6.1.1 The institution has a clearly stated vision and mission which are reflected in its academic and administrative governance.

Response:

Vision

A globally accredited human resource center of excellence catalyzing “sustainable livelihoods” in the “less developed markets across the globe”.

Mission

- Provide quality, globally accredited academic programs in technology & management.
- Provide globally accredited employability training for less endowed segments of the population.
- Promotion of entrepreneurial culture & enterprise in the target areas.
- Facilitating improved market access to goods & financial services to the target population.
- Promotion of lighthouse project interventions in the target area.

The adherence to these is reflected in the University’s governance:

1. Campuses are located in under-served areas largely inhabited by tribal & under-privileged strata of the society.
2. A Center for Innovators & Entrepreneurs (CIE) supported by the state government focuses on building nano, mini & micro enterprises.
3. Emphasis on industry connect ensures that its curriculum not only remains relevant for today but also in future. It has partnerships with entities such as Dassault Systemes, Wipro3D & C-DAC.
4. Multiple social outreach entities are housed under University’s umbrella brand Gram Tarang and also provide an action learning platform for students.
5. University is also recognized as well-managed & a great place to work.
As a recognition of this, University has been conferred the status of a ‘Center of Excellence’ by the Ministry of Skill Development & Entrepreneurship
