FOREWORD

Centurion University of Technology and Management, Odisha (CUTM) is committed to fostering a healthy and inclusive environment. This policy is designed to prioritize the well-being and safety of all members of our university, promoting a culture of respect, responsibility, and academic excellence.

CUTM firmly believe that a healthy lifestyle is essential for the overall development and success of it's students, faculty, and staff. By implementing this policy, university aims to create an atmosphere that encourages positive choices, cultivates strong interpersonal relationships, and supports the pursuit of knowledge and personal growth.

Smoking poses significant health risks not only to the individuals who smoke but also to passive smokers. By establishing a smoke-free campus, we strive to protect the health and well-being of everyone within our community.

Drug abuse and alcohol consumption, likewise, can have profound consequences on individuals' physical and mental well-being, as well as the overall safety and harmony of our campus community. By maintaining a zero-tolerance approach towards drug abuse and alcohol consumption, we seek to provide an environment that fosters personal growth, academic success, and the pursuit of meaningful connections. University is committed to offering support and resources to those in need, promoting education and awareness, and ensuring a safe and drug-free campus for all.

We believe that by implementing this policy, University is empowering our community members to make informed choices, cultivate healthy habits, and contribute to a campus culture that values wellness and mutual respect.

Together, we strive to build a university campus that champions health, personal development, and academic excellence, ensuring a brighter future for all who are part of our community.
