Sir,

This has a reference to your letter reference No. CUTM/SOVET/104/2017 dated 02.02.2017, subsequent visit of the Institute by Shri G Sanjay Kumar Dy. Director of Mines Safety (Exam) on 24.04.2017 to observe the facilities provided at Gas Testing Chamber.

The visit revealed that the facilities in the Gas Testing Chamber were generally in order. This Directorate has no objection to the grant of flame safety lamp handling certificate by the Principal of the Institute to the regular Degree/Diploma students of the Institute.

However, you are requested to ensure that the Gas Testing Chamber is kept maintained adequately.
