Online Education

1. Does all programs/courses were completed on time.	Yes
--	-----

2. Measures taken to complete the syllabus of courses and programs.		The odd semester for academic year 2019-20 was completed on time and the course progress for even semester was going on as per the academic schedule. But the teaching learning process was derailed once the Covid 19 pandemic started in mid March 2020. A month's course work still remained to be completed for the session. By 25th March we had identified a way to move forward. We were already using Amazon cloud services and were academic partners with them. Through them we learnt about the Impartus platform wherein we could conduct the online classwork. So, within two days the university worked overtime to bring all student course registration data and timetable on Impartus and from 27th March 2020 the classes were delivered fully online. The faculty were given induction and training on using this platform through Zoom meetings. Infact, the university procured a licensed Zoom ID for a year. Already faculty used to teach courses on PPTs which they could easily use on the Impartus platform. Further, for Laboratory practice the University adopted the use of V-Labs and the submission of records could be done on Electronic note book. Frequent online meetings were conducted with all faculty to facilitate effective online teaching and student engagement. Further, all faculty prepared online courseware for all courses which was uploaded in website for supporting the students. The Library facilitated the student learning further by sending them links of e-books. Students were given a number of Advisory notes and FAQs through mail and messages to bring them onboard and support them to learn online. WhatsApp groups helped. Few students who did not have laptop faced problem. Hence, they were given advises on opening AWS Educate account, wherein they can log into Cloud 9 and use the compilers to do their assignments/programming. They could use code keyboard app on smartphones for programming too. Mentoring sessions were done on Zoom and Impartus for the same. All these initiatives enabled the University to complete the course work on time. The semester examinations were conducted online on Cocubes platform which had robust facility for fraud detection using Artificial Intelligence. Question banks were prepared and students were given mock tests to get accustomed to this platform prior to the final examinations. The examinations for final years were scheduled and conducted in the last week of April 2020 and from last week of May 2020 for all other batches, wherein there was no deviation from the examination calendar for the year in terms of the end date. The external laboratory examinations were conducted online for all programs. The results were declared within 15 days of the conduct of examinations. Further, the Convocation was held in virtual mode on 5th October 2020 and was presided over by the Hon'ble Governor of Odisha wherein 2129 students were awarded degrees for Ph.D, PG, UG and Diploma programs.	
3. The period of delay in completion of syllabus (in months).		0	
4. The period of delay in conducting exams (in months).		1	
Portal Name	No. of students offered online courses which have credit transferred to transcript	Total no. of online courses which have credit transferred to the transcript	Total no. of credits transferred to transcript
