**Online Education**

1. Does all programs/courses were completed on time.	Yes

2. Measures taken to complete the syllabus of courses and programs.		<p>The year 2020-21 was impacted by the pandemic and government restrictions and lockdowns imposed meant that classes were completely delivered online and as per the academic calendar. We moved from the impartus platform to google meet that was integrated in the University ERP. While the practical classes were conducted through v labs with the submission of records through electronic note books, some decisions had to be taken regarding the skill electives and domain courses to be offered. Limitations were experienced in offering the lab based, hands on, practice oriented courses. After much deliberation, 35 skill electives, primarily computer based, were shortlisted to be offered. Students successfully enrolled and completed these courses. The experience of the previous semesters and frequent online meetings conducted with all faculty facilitated effective online teaching and student engagement. Further, the courseware prepared for all courses of the University (courseware.cutm.ac.in) was updated on the website at the beginning of the year to support students. The Library played a key role in enhancing the learning environment by providing links to students for e-books and data bases. Students were given a number of Advisory notes and FAQs through mail and messages to bring them onboard and support them to learn online. WhatsApp groups were also created in order to be responsive to students learning needs. Few students who did not have any devices or connectivity were disadvantaged. Hence, they were advised to open AWS Educate account, wherein they could log into Cloud 9 and use the compilers to do their assignments/ programming. They could use code keyboard app on smartphones for programming too. Mentoring sessions were done on Zoom for the same. All these initiatives enabled the University to complete the course work on time. The semester examinations were conducted online on Cocubes platform which had robust facility for fraud detection using Artificial Intelligence. Question banks were prepared and students were given mock tests to get accustomed to this platform prior to the final examinations. The examinations for final years were scheduled and conducted in the last week of April 2021 and from last week of May 2021 for all other batches, wherein there was no deviation from the examination calendar for the year in terms of the end date. The external laboratory examinations were conducted online for all programs. The internal exams were conducted by an internally developed platform. The results were declared within 15 days of the conduct of examinations. Further, the Convocation was held in virtual mode on 5th November 2021 and was presided over by the Hon'ble Governor of Odisha wherein 2129 students were awarded degrees for Ph.D, PG, UG and Diploma programs.</p>
