CLARIFICATION ON FAQ – ONLINE EXAMINATION CIRCULATED ON 25th APRIL 2020

The following is the clarification with regard to the FAQ circulated earlier. All are requested to take a note of this.

Q14. What if for some reason a student cannot write the exam or he performs badly in the online exam?

Ans: The student can write the EoD examination (once without any registration fees) that will be conducted after the University reopens.

Clarification: Students were given a choice as to whether they would like to attend online exams or physical exams. This provision was meant for those who are/were unable or chose not to appear for the online exams. If some individual students are/ were unable to clear the online exams, then it would be presumed that they would have performed equally poorly in the physical exam as well. Therefore, they would have to appear the EOD exam on payment of the fees.
