33rd ANNUAL REPORT

2020-21

Centurion
UNIVERSITY

*Shaping Lives...
Empowering Communities!*

ABOUT CSaR

It is the **part of our curriculum**. All the students of Centurion University of Technology and Management participate in the **Culture, Sports, and Responsibility** (CSaR) program during their studies at CUTM.

The program gives students an opportunity to learn from the experience of doing real tasks beyond the classroom, related to Culture (student life/creative pursuits), Sports (activities for Physical Fitness) and Responsibility (activities for the benefit of the community or the environment).

At the end of the Centurion University degree, the **CSR grade will be reflected** in the final **Grade Sheet** and the student will **receive the CSR Booklet** listing all of the CSR activities he has completed. This can be used for his/her Resume. Information about student clubs, meetings, including details of Faculty-In-Charge, their contact, and CSR updates are displayed on the CSR Activity Information Board on campus. Student can ask any faculty member to supervise the activity and sign the CSR Booklet indicating that the hours have been completed.

Most importantly, the **CSR program provides a refreshing counterbalance to academic activities**. It is an opportunity to have fun, get to know your fellow students and do something innovative and try new experiences

CREDIT	GRADE
30-45	C
46-60	B
61-75	A
76-90	E
Above 90	O

Credit refers to the no of hours the student spared.

For more than 1 year programme the credit will be calculated by taking the average of the credit points of each year.

The final CSR Grade will be reflected in the final degree Grade Sheet & Certificate.
