✧ Say It With Plants ✧

Plants are Better than Flowers – Say It With Plants!

Flowers are beautiful, true! But they wither too quickly, and they do not give you value for money. **Say it with plants instead!** With plants, your gift will be a sweet reminder of your love and good wishes for a very, very long time.

Centurion University is opening its first select array of 'ready-to-gift' plants outlet in the Bhubaneswar Campus. Set up in its dreamlike Butterflies, Bees and Cactus (BBC) Garden, this shop offers you the widest array of plants choices you can use for any occasion and setting:

- ✧ Indoor & Decorative Plants
- ✧ Cactus & Succulents
- ✧ Aquatic Plants
- ✧ Seasonal flower plants
- ✧ Miniature garden
- ✧ Designer planters
- ✧ Plant stands
