

## **A REPORT ON CELEBRATION OF NATIONAL SCIENCE DAY**

National Science Day was celebrated at Centurion University and Technology and Management on February 28, 2022. Event was organized by one of the CSR clubs Agrifora Students Society. On this occasion, Oral & Poster Presentation Competitions were organized on the basis of several themes like Role of Science in Smart Agriculture, Role of Genetics in Agriculture, Phytopharmaceuticals in Agriculture, Engineering in Agriculture, Impact of Medicinal Plants in Agriculture, Food security in agriculture and Transfer of Science and Technology. Total 43 peoples were registered for the event. Out of those 15 participants delivered oral presentations and 12 participants presented posters on different themes. Programme was started by the brief address by Chief Guest of the Event Dr. Atanu Deb (Dean of Students Affair). For this event, Dr. Satyabrata Nanda, Dr. Sambid Swain, Dr. Preetha Bhadra and Dr. Ashok Kumar were acted as a Jury member. Jury members evaluated all oral and poster presentations and they declared top 3 winners from each competition.
