MESSAGE from VICE-CHANCELLOR

The Centurion University of Technology and Management (CUTM) has established itself as India's leading skill institution recognized by the government. According to the Outlook-ICARE India University Rankings 2019, Centurion University was ranked 10th Young University. Likewise, Centurion University received Best University Award – 2019 by Indian Youth Association (IYA). The National Agricultural Education Accreditation Board of ICAR granted accreditation to the university's M.S. Swaminathan School of Agriculture for a period of five years.

The Centurion University is committed to bring improvement in quality education and gender equality by following the agenda of sustainability development goals of United Nations. Thus, university keeps a close watch on women/female enrolments, advancement and graduation. The female percentage in higher education and sciences is found to be high. During the year, the university launched several new programs, moved to new locations, forged new partnerships, consolidated existing products, and improved its global presence through student and faculty exchanges. Centurion University is determined to bring industry, academia, research institutions and communities together through education, research, and consulting activities in a collaborative way to solve problems which are faced by people and society. It has been our privilege to deliver on our social commitment to solve today's problems by inspiring curious people to actively prepare for tomorrow's challenges. Thus, university contributes to sustainable development in its own way.

I thank each and every member of CUTM family for continuous support for its advancement. We are confident that we can meet the expectations of various stakeholders based on a solid foundation.

Prof. Supriya Pattanayak
Vice-Chancellor, CUTM

The Centurion University of Technology and Management (CUTM) has established itself as one of the India's leading institution providing higher education with integrated skills and social entrepreneurship. The university has well-equipped educational laboratories, workshops, libraries, sports and medical facilities. The university is a partner to Government

of India's National Skills Development Corporation with a focus on skill development and employment related education. The University believes that social and economical sustainability is linked to quality education and equality among communities. Thus, university endeavors resonate with the sustainable development goals (SDGs) of United Nations. The university consists of, mainly, nine schools and five verticals under the “Gram Tarang” umbrella. More information could be availed at www.cutm.ac.in.

- *Total Students:8477*
- *International students: 46*
- *Certificate courses: 2*
- *Diploma courses: 12*
- *Skill courses: 85*
- *Under-graduate courses: 43*
- *Post-graduate courses: 54*
- *Doctoral program*
- *New degree programs:7*

During the year April 2019 – March 2020, 77 new faculties were recruited and 05 new under-graduate courses, 01 new diploma course and 02 new post-graduate courses were started. The total enrolment of students is 2887. The total number of students graduated during the year 2019-2020 is 1806. The total number of diplomas conferred is 219. The 1056 placements were made to the students from reputed industries and organizations. The university provided consultancy and training of worth Rs. Thirty Crore Two Lakhs Eighty-Nine Thousand One Hundred Eighty only. During the year, the University signed MoUs with 10 institutions within the country and 2 institutions outside the country. The total number of publications are 133, patents filed are 28, conferences/workshops organized are 13, FDPs/SDPs organized is 56. The seven faculties were awarded PhD in their respective fields. Two invited talks and nine other talks delivered.

The students organized various cultural, sports and responsibility activities. The responsibility activities were done in collaboration with various non-governmental organizations (NGO). The maximum number of cultural, sports and responsibility activities were aligned along SDGs.

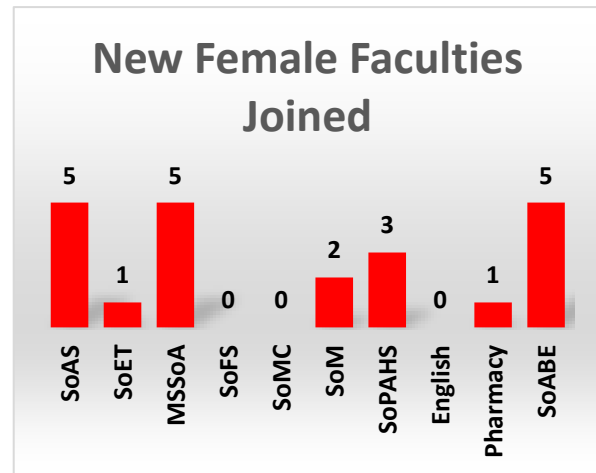

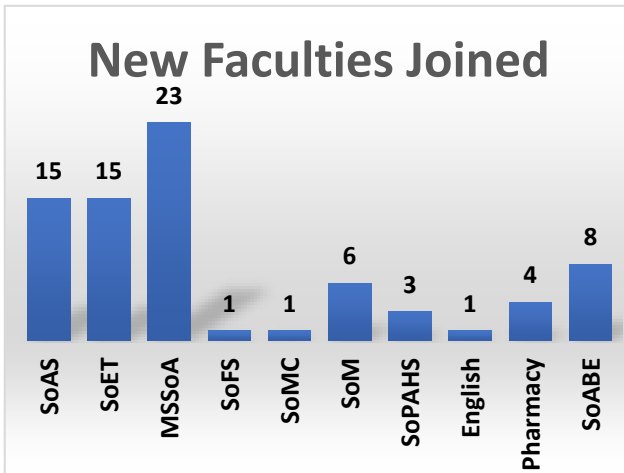

The university is committed towards no poverty, zero hunger, good health and well-being, gender equality through quality education and awareness about environment.

SCHOOLS and THEIR VENTURES

New Faculties Joined

The total number of new faculties joined is 77. The number of females, out of total number of new faculties, is 22. Although the percentage of new female faculty is less than 30%, the university is constantly committed to recruit more female faculties under its equal opportunity policy.

New Courses Introduced

SoET

- Diploma in Automobile Engineering
- Bachelor of Technology in Computer Science Engineering-AWS
- Bachelor of Technology in Computer Science Engineering-IBM

SoM

- Master in Business Administration for Executives
- Master in Business Administration in Pharmaceuticals

SoAS

- Bachelor of Science in Bio-Chemistry

SoMC

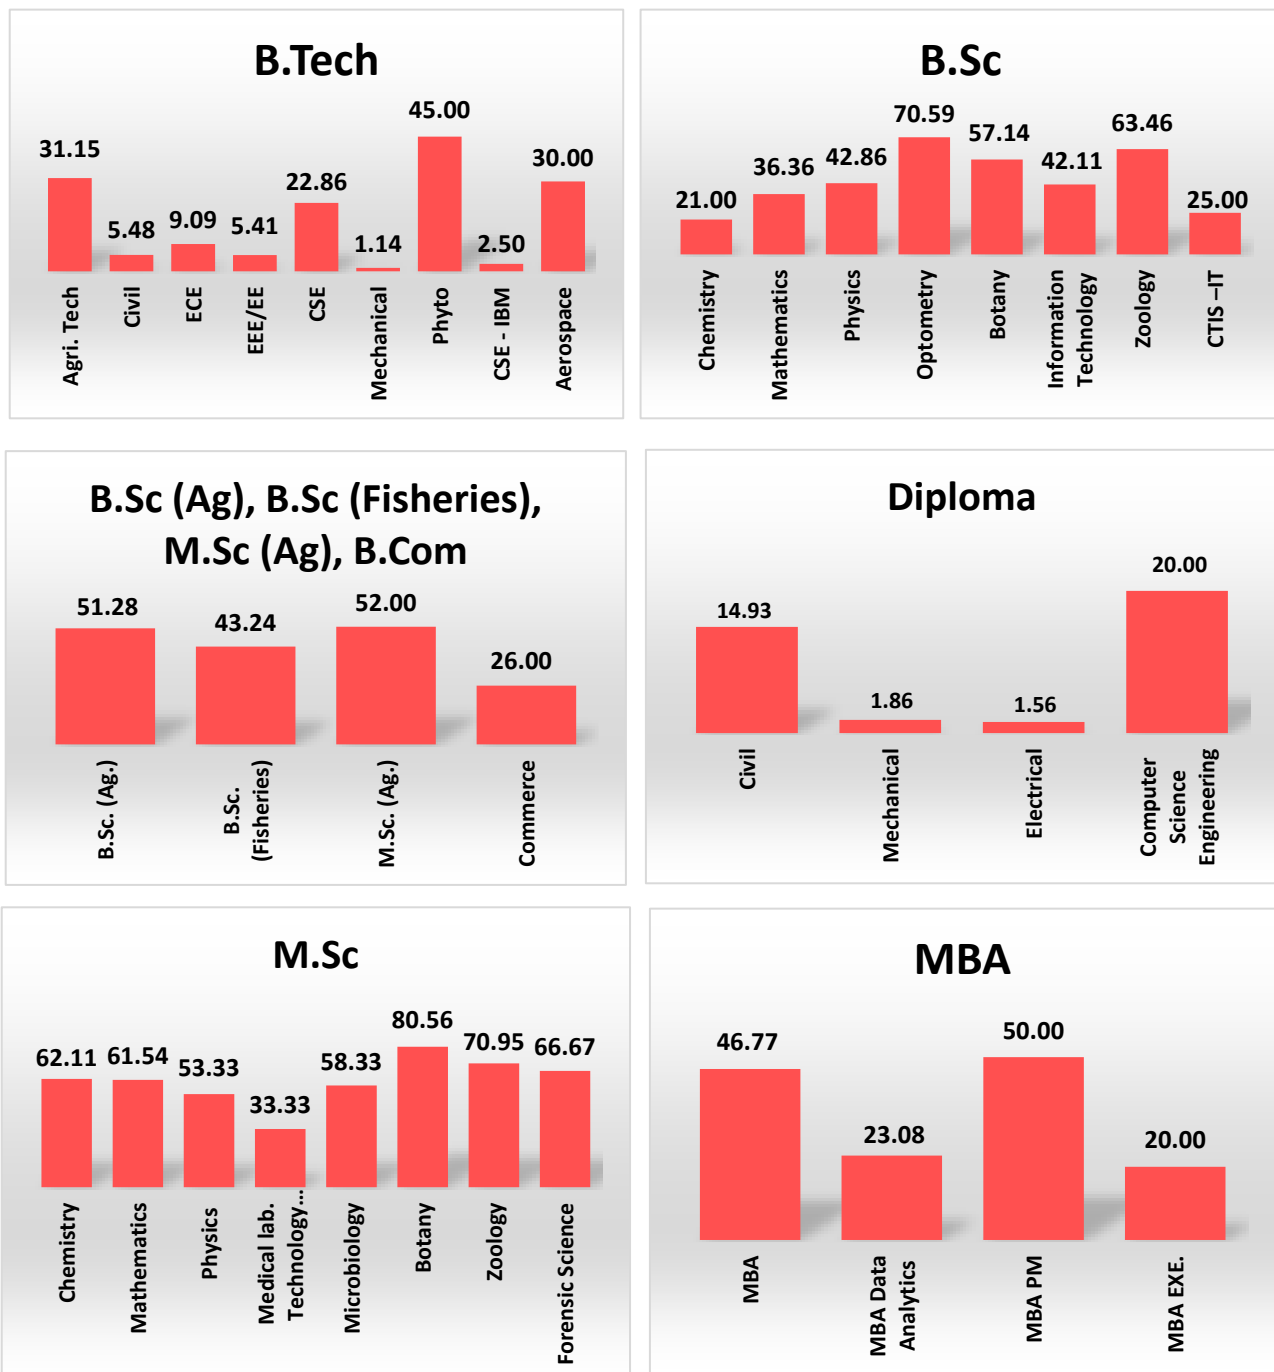

- Bachelor of Media Communication

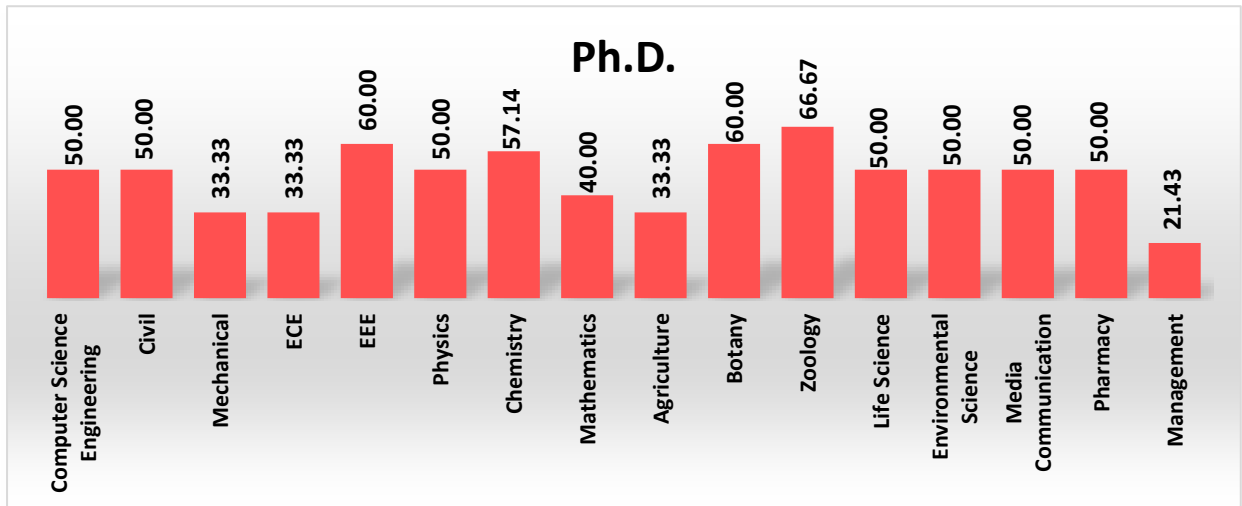

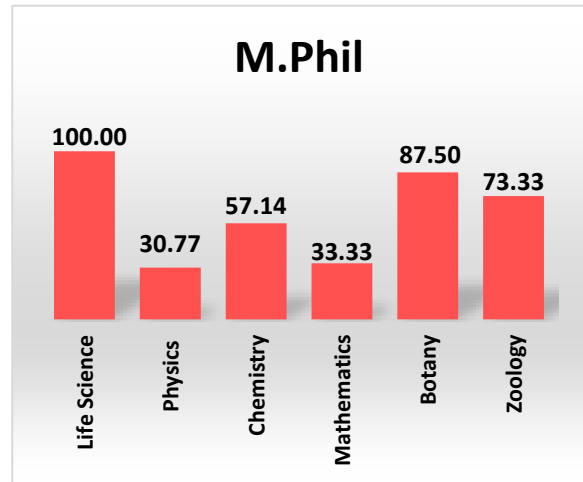

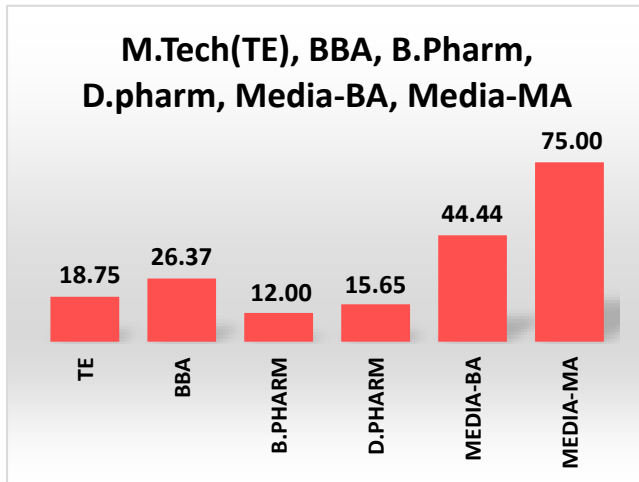

SoABE

- Bachelor of Technology in Phytopharmaceutical

For the 2019-20 academic year, 2887 number of students were enrolled in the university. It includes 721 in diploma courses, 1396 in bachelor degree, 619 in master degree, 55 in M.Phil degree and 44 in doctoral degree. The university encourages woman students to enrol and advance towards higher education. Thus, the bar chart in figure 1 depicts the enrolment percentage of females out of total students in various programs.

Figure 1: The percentage of women students in various academic programs

Average female enrolment percentage

PhD: 47.2 %

M. Phil.: 63.6%

Sciences: 52.8 %

The female percentage in higher education and sciences is high. The university has successfully brought the gender equality in higher education. The professions of choice for female students are allied health sciences, applied sciences, management and agriculture. The university believes that the sustainable society could be built if woman, the future mothers, could be educated and made aware of sustainability choices. The university strives to bring equality in other educational programs also.

Students Graduated

The total number of students graduated during the year 2019-2020 is 1806 and diploma holders is 219. The figure 2 and 3 represent the total graduates from each school and percentage of female graduates out of total graduates, respectively.

Figure 2: The total number of students graduated from various Schools

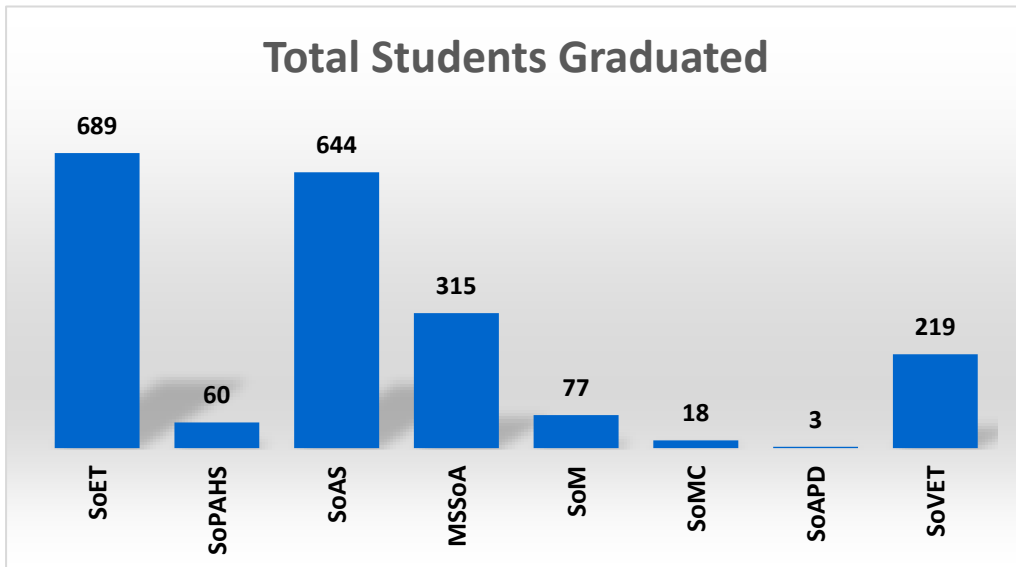

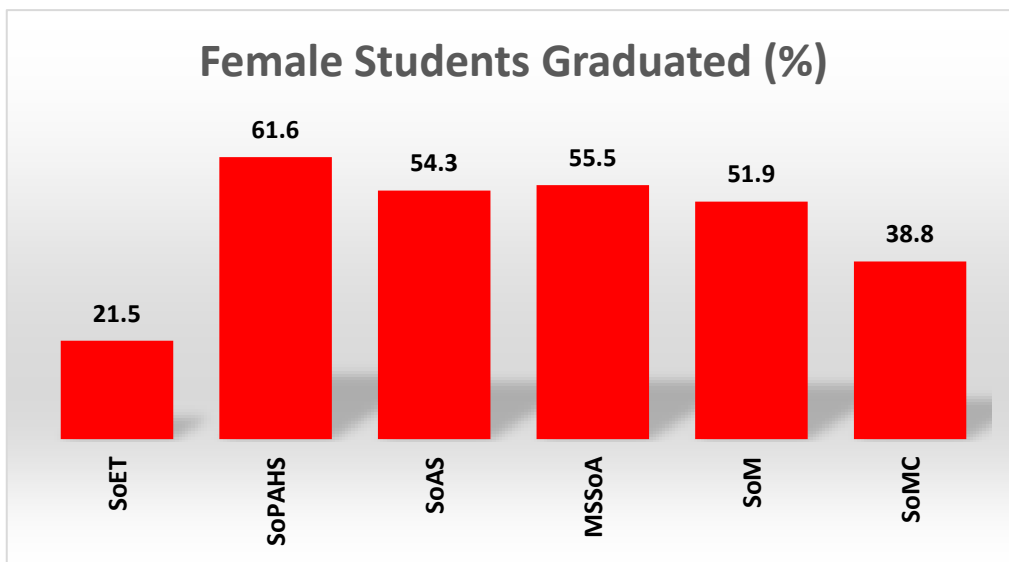

Figure 3: The female student percentage graduated out of total students graduated from various Schools

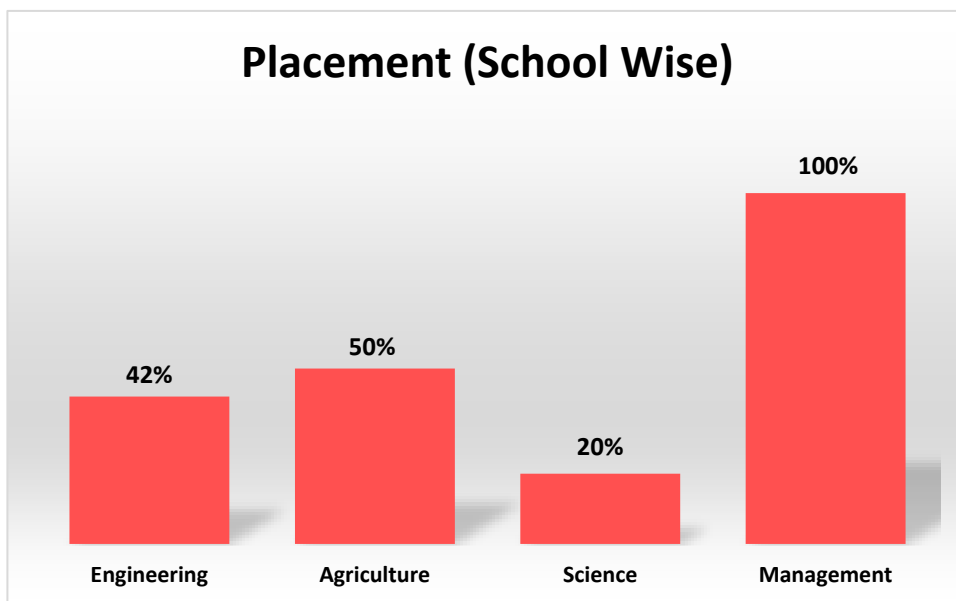

Out of total students, the percentage of female graduates is more than 50% in paramedics and allied sciences, applied sciences, agriculture and management. It indicates the preference of women for particular profession. Also, the efforts of the university for gender equality are showing positive outcome.

Students' Placement

The students of Centurion University are groomed for employment in different organisations, enrolment in higher education institutions and starting their own enterprises. The outcome of the combined and relentless effort of Placement Team resulted in 1056 offers from 83 Companies in 2019-20. The top five recruiters were Tech Mahindra (108), HDB Financial Services Ltd (79), Apollo Hospitals Enterprise Ltd (78), Indian Money (51), Illuminati Group (49) and Faurecia (49). The bar chart in the figure 4 gives the glimpse of placement.

Figure 4. Percentage of student placement in various streams

The entire management students are placed for employment. Also, it suggests the employability of all enrolled women. The quality of education guarantees the employability. The preference of science students is more for higher education. Thus, the choice of being employed at early stage is not preferred.

The research and consultancy are important activities of the university. The university encourages its faculty and students to undertake and solve real life social, scientific and technological problems that contribute to sustainable community, society and industry. The figure 5 shows the percentage of publication contributed by various schools.

Patents filed: 28

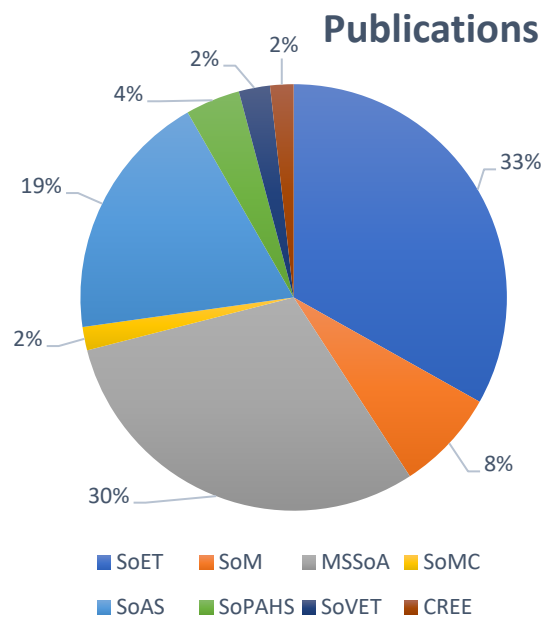

Publications: 133

**Workshops/Conferences
organized: 13**

**Earning through
Consultancy:**

₹ 30,02,89,180/-

Figure 5. Percentage of publications contributed by various schools.

The publication profile of the various schools is available at following websites:

<https://cutm.irins.org/faculty/index/School+of+Applied+Sciences>

<https://cutm.irins.org/faculty/index/School+of+Agricultural+and+Bio+Engineering>

<https://cutm.irins.org/faculty/index/School+of+Engineering+and+Technology>

<https://cutm.irins.org/faculty/index/School+of+Fisheries>

<https://cutm.irins.org/faculty/index/School+of+Paramedics+and+Allied+Health+Sciences>

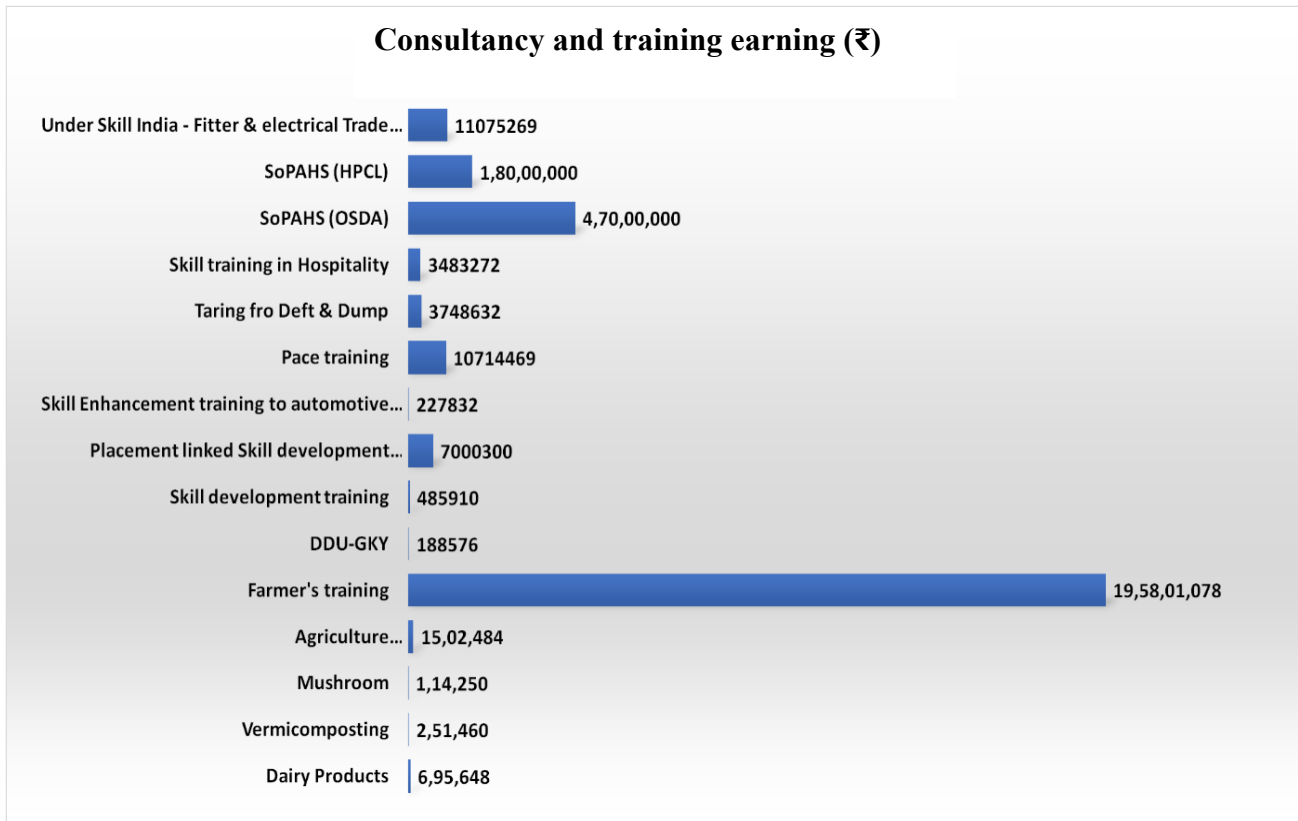

<https://cutm.irins.org/faculty/index/School+of+Vocational+Education+Training>

<https://cutm.irins.org/faculty/index/School+of+Agriculture>

The university gives utmost importance to consultancy and training of academic relevance. These activities are geared towards solving real life problems faced by industries, organisations and communities. Various schools of the university undertake the consultancy assignments to

benefit the community, industry and society as a whole. During the year 2019-2020, the university provided consultancy & training of worth Rs. Thirty Crore Two Lakhs Eighty-Nine Thousand One Hundred Eighty only. The bar chart in figure 6 depicts the contribution from various training and consultancy engagements.

Figure 6: The yield from various training and consultancy program for the year 2019-2020

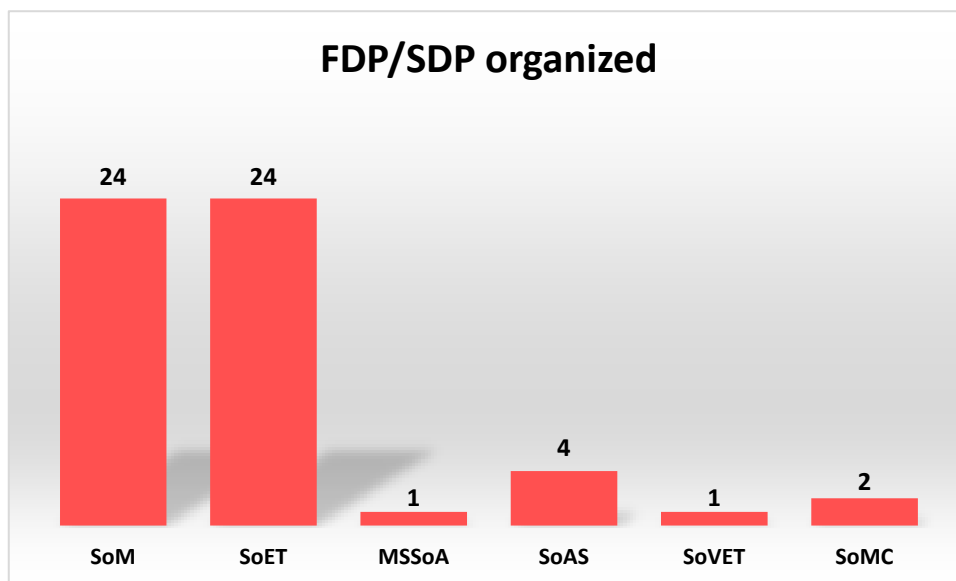

The highest contribution is through farmer's training. The beneficiaries of the training included, also, the rural youth and women belonging to scheduled caste and scheduled tribe. The training was aimed towards sustainability of farmers and enhancement of their economic status through corrective measures of agriculture. Under the Innovation Agriculture project of NSDC, Centurion University is working in 9 districts of tribal dominated South Odisha and 3 districts of North Coastal AP. As of now Centurion has trained 2725 farmers and 124 Community Resource Persons. Centurion University and LMSC provides end to end support to farmers for producing RNR (15048) controlled sugar variety of rice for doubling their income. Centurion University along with Gram Tarang has made an agreement with SEEDAP to train 3000 farmers in Srikakulam, Vizianagram and Vishakapatnam. It has covered 900 farmers as on date.

Faculty & Staff Development

The faculty and staff are the most important resource of the university. As on November 2019 the faculty strength includes 190 in Paralakhemundi campus, 141 in Bhubaneswar campus, 26 in Rayagada campus and 38 in Bolangir campus. To improve the faculty resource in line with the needs of the internal and external environment, the University recruit's new faculty and staff and upgrades their competencies on a continuous basis. During the year Faculty Development Programmes were organised in-house for enhancing domain knowledge, teaching learning skill and competencies in engaging with community. Faculty and staff are sponsored to participate in programs outside the university, in areas that are not covered in-house. The figure 7 shows the number of FDPs and SDPs organized by various schools.

Figure 7: The Faculty development Programs (FDP) and Staff development programs (SDP) organized by various schools.

In addition to internal FDPs, external seminars, workshops and conferences were organized with experts from outside university which essentially aimed to enhance the scientific temper and perspective among the students and faculties of the university. Figure 8 depicts the number of such activities organized.

Figure 8. Number of seminars, workshops and conferences organized by various schools.

Ph.D Awarded

School of Management

1. “Exploring Correlations among Learners’ Attitude & Self-Efficacy for English Language Achievement”,
Manasee Mishra

MS Swaminathan School of Agriculture

1. “Starch Gelatinization and Drying of Paddy using Microwave Heating” *Gitanjali Behera*
2. “Investigation of Cascaded Multilevel Inverter based SAF with Alternative Configurations under Ideal and Nonideal Grid Voltage Conditions”
Asish Ranjan Dash

School of Engineering and Technology

1. “Non-edible Vegetable Oils as Sources of Renewable Energy for Diesel Engines”
Sudhansu Bhusan Mohapatra

School of Applied Sciences

1. “Studies on removal of Nickel toxicity from Polluted soil of selected mining area of Odisha”
Atia Arozoo

2. “Time Series Analysis and forecasting of Financial Stock Market using Hybrid machine learning based optimization models”
Mohammed Siddique

School of Media and Communication

1. “Journalism & Mass Communication”
Mohammad Aamir Pasha

Invited Talk Delivered

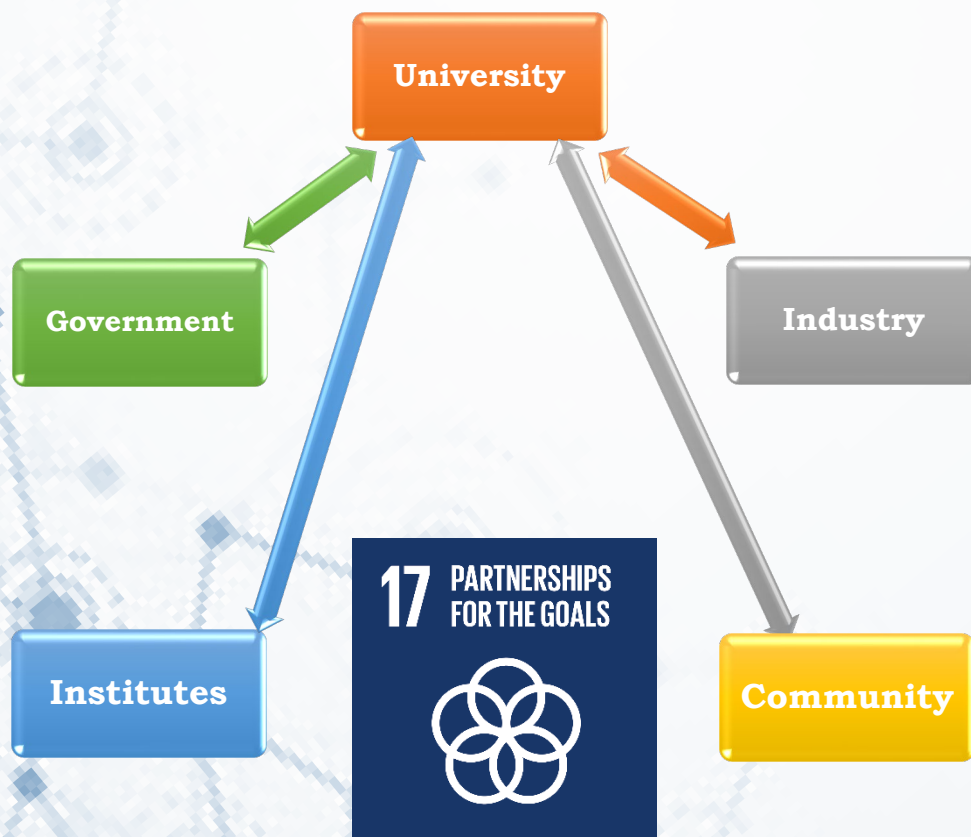

- Dr. Prajna Pani, on “*Draft National Education Policy 2019*” at SKCG, Gajapati, 7th January 2020.
- Dr. Prajna Pani, to conduct English Diagnostic Test at IIT Bhubaneswar, 24th July 2019.

Talk Delivered

- Dr. Prajna Pani, 2019 WEI International Conference on Humanities & Social Sciences: Harvard Faculty Club, Boston, USA, 29th July - 2nd August 2019.
- Dr. Prajna Pani “*Attitude of Engineering Students’ towards English Language Achievement*” in the 4th International Conference on Management, Sciences, Engineering & Applications (ICMSEA-2019): Centurion University of Technology & Management, 19th – 21st December 2019.
- Dr. Prajna Pani “*The Emerging Paradigms: Heutagogy, Paragogy & Cybergogy*” in the 14th International Conference of ELTAI, Right to English, Amity Institute of English Studies & Research, Noida.
- Dr. Shivala Kumar “*Employment and Income Generation Through Agro-Processing*” in Centurion University of Technology & Management, 21st August 2019.
- Dr. R.C. Mohanty “*FEM: An innovative way to solve Engineering problems*” in Government College of Engineering, Keonjhar, 25-26 Feb 2019.

- Mrs. Debashree Debadatta Behera, “Given training session on *“Platform skill and training Methodology”* in ORMAS(SRO) Training Programme” in Centurion University of Technology & Management, 19th – 24th July 2019.
- Dr. Tapan Dash “Meet Graphene *“the wonder material of the 21st Century and its applications”* in BRM College, 4th September 2019.
- Dr. Saubhagyalaxmi Behera “Structural and Frequency dependent electrical properties of lead free $\text{Na}_2\text{Ba}_2\text{La}_2\text{W}_2\text{Ti}_4\text{Nb}_4\text{O}_{30}$ ceramic” in ICAM- 2019, MG University, Kottayam, Kerala, 9th – 11th August 2019.
- Dr. Kakani Grihalakshmi “*Future of Farming- Why Achieving Sustainability remained Elusive?*” in the 4th International Conference on Management, Sciences, Engineering & Applications (ICMSEA-2019): Centurion University of Technology & Management, 19th – 21st December 2019.

PARTNERSHIP FOR SUSTAINABLE DEVELOPMENT

During the year, the University signed MoUs with 10 institutions within the country and 2 institutions outside the country. Our relationship with existing collaborators has been deepened and widened.

Dassault Systems' Foundations

Supporting within the framework of the project by providing a financial contribution

Centre for Community Development, Paralakhemundi

Support services that improve the livelihoods and lives of rural poor families

OSSC LTD, Bhubaneswar

Seed Producer/Co-Operative Firms for Production & Supply of Seeds to Bhubaneswar

Annan Chandra Hassan Trust

For set up of an effective skill centre, developing learning modules under each stream, Provide training to the teachers and trainers to be recruited by the training partner

ICAR-IIHR, Bengaluru

For facilitating Students Training, Internship/Post Graduate & Ph.D. Research/Scientists Exposure & Involvement

Central Tuber Crops Research Institute, Thiruvananthapuram

For facilitating Students Training, Internship/Post Graduate & Ph.D. Research/Scientists Exposure & Involvement

Prime University, Dhaka, Bangladesh

For Student Development & Exchange Programme, Faculty Development Programme, Training, setting up laboratories, Centre of Excellence, Go to market in 100 days, Running of academic courses, Research project work and identified product development

Frobenius Institute for Research in Cultural Anthropology - Goethe University Frankfurt

For Research in Cultural Anthropology and the Goethe University Frankfurt are developing collaborative relationship in relation to teaching and research.

VasudhaikaSoftwatepvt Ltd (Kalgudi Software)

For quality education using Kalgudi software solutions platform

Centre For Sustainable Agriculture, Secunderabad

For Providing Quality learning opportunities for students, scientists and communities

Virginia Tech India Research and Education Forum

For Certificate Program in Data Science & Artificial Intelligence Program

Bosch's India Foundation

For Industry-Academia Collaboration

- Utkal Diwas celebrated on 1st April 2019
- District Level Youth Parliament was organised in the month of August 2019
- 73rd Independence Day celebrated on 15th August 2019
- Raksha Bandhan celebrated on 15th August 2019
- Investiture Ceremony of Gender Champions conducted on 15th August 2019
- Ganesh Chaturthi celebrated on 2nd September 2019
- Teachers Day celebrated on 5th September 2019
- International Literacy Day celebrated on 8th September 2019
- World Engineers Day celebrated on 15th September 2019
- Viswa Karma Puja celebrated on 17th September 2019
- Gajajyoti 2019 organised on 2nd March 2019
- Gandhi Jayanti celebrated on 2nd October 2019
- Campus Khati program by Tarang Music Channel on 2nd August 2019
- 6th Chandrabhaga Poetry Festival 2020 celebrated on 2th January 2020
- Under 25 Summit organised on 18th January 2020

- AIU East Zone Inter University Chess Championship – 2019 held at Centurion University, Paralakhemundi Campus from 29.10.2019 to 01.11.2019.
- CUTM Cup, Inter University Sports Championship organised on 21st January 2020
- National Sports Day celebrated on 29th August 2019
- Observation and celebration of International Yoga Day on 21st June 2019
- AIU East Zone Inter University Chess Championship – 2019
- Inter University Sports Championship organized in January 2020
- National Sports Day celebrated on 29th August 2019

- International Women’s Day Celebrated on 8th March 2019
- Legal Literacy Camp (#Balanceforbetter) was conducted on 8th March 2019
- Blood Donation Camp organised by Youth Red Cross on 30th March 2019
- Candle Peace March was initiated on 22nd April 2019 in tribute of series of eight devastating bomb blasts that ripped through high-end hotels and churches holding easter services in Colombo, Negombo, Dehiwala, Dematagoda and Baticaloa in Sri Lanka on Sunday during easter celebration
- One-month mass cleanliness drive on “Polythene/Plastic free campus” was conducted from 11th June to 10th August 2019
- Thousand Tree Plantation in the campus and adopted villages conducted on 30th, 31st July and 1st August 2019
- 73rd Independence Day and Raksha Bandhan celebrated by CSR team at Jagannath Niketan (Orphanage) on 15th August 2019
- 73rd Independence Day and Raksha Bandhan celebrated by CSR team at Vivekananda Ashram (Orphanage) on 15th August 2019
- Blood Donation Camp organised by Youth Red Cross on 19th September 2019
- Cleanliness Drive conducted in campus on the occasion of Gandhi Jayanti, 2nd October 2019

DISTINGUISHED VISITORS

There were a number of distinguished persons who visited the University during the year, the same are presented in Table below.

Table 1: Distinguished visitors during 2019-2020

Sl. No	Name of Visitors	From
1	Shri. Tankadhar Behera	ACF, Sundergarh Forest Division, Sundergarh
2	Dr. Arun Kumar Swain	Assistant Director, State Forensic Science Lab, Bhubaneswar

Acknowledgement

The University is grateful to number of Institutions and Individuals for their generous support in pursuing its mission and vision. Some of the agencies who supported during the year are listed below.

- i. Government of India
- ii. Government of Australia
- iii. Government of Norway
- iv. other National Governments
- v. International and National Organizations
- vi. Government of Odisha
- vii. Other State Government and their Agencies
- viii. International, National and State Level Companies
- ix. Academic and Research Institutions
- x. Civil Society Organizations
- xi. Individual Donors and Well Wishers.

Mission

A globally accredited human resource centre of excellence catalysing "sustainable livelihoods" in the "less developed markets across the globe".

Vision

- Provision of quality, globally accredited academic programmes in technology and management.
- Provision of globally accredited employability training for less endowed segments of the population.
- Promotion of entrepreneurial culture and enterprise in the target areas.
- Facilitating improved market access to goods and financial services to the target population.
- Promotion of lighthouse project interventions in the target area.
