### REVISED PROPOSAL SUBMISSION TO RAMADEVI WOMEN'S UNIVERSITY:

21<sup>ST</sup> NOVEMBER 2018

#### 1. CONTACT DETAILS FOR PROJECT

Name of the Organization	Centurion University of Technology & Management; Implemented through Gram Tarang Employability Training Services
Address of Head office, Contact number	17 Forest Park, Bhubaneswar 751009, Khurda, Odisha, 751 009 Ph: +91-674-2596228(O), Fax:+91-674-2596229.
Contact person	Prof KVD Prakash Abhinay Mishra

#### 2. EXPECTED OUTCOMES & PROCESS FLOW

The training will be focused on developing technical skills & behavioral traits of the students focusing on preparing them for employment as well as self-employment.

An average skill based course is 450 hours of duration and this cannot be completed in one year for a student who is pursuing a full time course. However, breaking them down into modules, it is possible to complete a full level certification as per NSQF over a 2-3 year period. The expected end outcome will be either a possible employment in their respective domain after graduation or to inspire students to take more advanced specialized training after completion of their graduation which can result in employment or self-employment.

To realize this outcome, the following process has been followed:

- **Student Counselling:** Understand and determining the interests of the students and matching them with the sector wise courses being offered
- **Module Design:** Module customization will be done for courses to be offered at RDWU to allow for part delivery at RDWU
- **Delivery Model** finalization (on campus, on the job etc.) & Training Calendar preparation
- **Setting up skill centre and laboratory / training facilities** in the Rama Devi University campus itself
  - **Delivery of training** will include Domain Skills or technical skills related to domain
  - Strategic communication skills, grooming skills, professional etiquettes and leadership qualities.
  - Professional skills, Customer service skills, Financial Literacy, IT Skills, Health Hygiene & Sanitation
  - Entrepreneurial skills – how to setup and manage a small business
- **Assessment & Certification:** will be done by CUTM where the student can get a credit transfer for continuing their higher education (e.g. Bachelors in Radiology or Bachelors in Medical Lab Technician)

### 3. COURSE STRUCTURE & DURATON

Courses will be conducted for a duration of 120 hours and will be delivered over a period of 3-4 months in sync with the academic year of Rama Devi Women's University. The course will comprise technical & soft skills aligned to National Skill Qualification Framework (NSQF), Sector Skill Council (SSC) job roles, Qualification Pack (QP) and National Occupational Standard (NOS). The duration of training will be as prescribed by the SSC. As per common norms the employability skills & IT skills will be included in the hours of training of the technical modules.

### 4. REVISED FINANCIAL PROPOSAL

Subsequent to the meetings we had with the Chairperson PG Council and the committee members of RDWU, we understand that there are constraints and concerns w.r.t the students traveling and coping up with their regular classes as per the time table. Hence, considering the above context, it is mutually concluded by the committee members that Centurion University of Technology and Management will offer the skill courses on campus at Rama Devi Women's University, Bhubaneswar.

**Revised Proposal:**

Considering the challenges and suggestion of RDWU, CUTM proposes to set up the labs as required for delivery. During the delivery of the skills courses, CUTM will also provide the food to the students considering the skill classes starting early in the morning and also later in the day, after the Ramadevi scheduled timetable. There was an inspection conducted jointly by RDWU & CUTM members on 19<sup>th</sup> June 2018 and it was found that the necessary infrastructure is required to deliver the following courses like Fashion Design & Garment Manufacturing, Certificate course for Heritage Tours & Eco Tourism, Certificate course for Retail & Hospitality management. Hence, as a responsibility to deliver, CUTM has to setup the labs and have the following costs reimbursed.

The following points are drawn out for consideration as a part of the revised proposal approach:

- University Assessment & Certification fee of INR 1,200 per candidate will be in addition to the training expenses.
- The training shall be conducted for 420 students of RDWU at the campus and any addition to this will be considered proportionally for reimbursement accordingly.
- During the program snacks will be provided to the RDWU students and reimbursed at actuals.
- For the days the students need to travel for field visits, transportation will be arranged by CUTM and the same to be reimbursed as per actuals for the no of days.
- Local conveyance / transportation charges for CUTM Faculty / Trainers travelling from Jatni to Rupali square, RDWU University onwards and return will be reimbursed as per actuals

In addition, RDWU shall designate Scientists/Specialists to visit the training facility periodically for reviewing the progress of work and for suggesting such measures as to ensure early realisation of the objectives of the project. On completion of the project five copies of a consolidated report of the work done on the subject would be submitted to RDWU.
6. CUTM would furnish to RDWU a Utilization Certificate and an audited statement of expenditure duly signed by the Head of the Institute and the Head of the Finance wing, pertaining to the grant before the release of subsequent installments as well as a consolidated statement of expenditure at the end of the completion of the project.
7. A stamped receipt be sent to RDWU on receipt of the Cheque/ Demand draft towards each release.
8. The Comptroller of Finance, RDWU at his discretion shall have the right of access to the books and accounts of the CUTM for the grant received from RDWU.

Pro-Vice Chancellor  
Centurion University of Technology & Management  
Jatni, Bhubaneswar, Odisha

9. CUTM would maintain separate audited accounts for the project. If it is found expedient to keep a part or whole of the grant in a bank account earning interest, the interest thus earned should be reported to RDWU.
10. CUTM may not entrust the implementation of the work for which the grant is being sanctioned to another institution and to divert the grant receipts as assistance to the latter institution. However, in such situations the express permission of RDWU may be obtained. In case the grantee is not in a position to execute or complete the project, it may be required to refund forthwith to the RDWU the entire amount of grant received by it.
11. The human resources that may be engaged for the project by CUTM are not to be treated as employees of RDWU and the deployment of such human resource at the time of completion or termination of project, will not be the concern/responsibility of RDWU.
12. RDWU reserves the right to terminate the grant at any stage and also to recover the amounts already paid if it is convinced that the grant has not been properly utilized or the work on the project has been suspended for any unduly long period or appropriate progress is not being made.
13. The project will become operative with effect from the date of release of the first instalment for the project.
